BLUE CROSS NEWS

World Class Quality Medicines at Affordable Prices

FROM THE PRESIDENT'S DESK.....

Dear Colleagues,

Greetings to you all for the New year 2020.

During the year 2019, we saw the achievement of our results due to our collective hard work. The achievement of our target has positioned Blue Cross for the future.

Due to our balanced portfolio of product lines, strong capabilities and good position in some of the international markets, I am confident that the company will see robust growth in the coming years.

Much of the credit for Blue Cross success is due to you, our dedicated employees. I would like to thank each and every one of you for your hard work, passion, dedication and the part you have played in our Company's overall performance.

Wishing you the very best and a prosperous New Year.

Manoj Israni
